Jacob Nathanson

Web Developer

317 6th ave, Brooklyn, NY, 11215   jacobnath93@gmail.com   347.489.2611

Objective

Recent Bootcamp graduate with over 3 years of experience in Education. Patient and resilient problem solver seeking to obtain a challenging position that utilizes current knowledge of web development and design. Positive outlook and team player.

Skills

HTML5, CSS3, SCSS, JavaScript (ES6), React, React Native, Bootstrap, Node, Express, MongoDB, Mongoose, git, GitHub, VS Code.

Personal Projects

Dreamy - (live site – github)

A dream journal app built with the MERN stack, allowing users to perform CRUD operations on their journal entries. Uses passport, JSON web-tokens, and Google Oauth to authenticate users.

Banh Mi Mami - (github)

React Native app to order Vietnamese food from a fictional local restaurant. Utilizes Redux Toolkit to control and update menu items, user information, and shopping cart.

NYC Foodies' Trucks - (live site - github)

React single-page application used to explore fictional local food trucks and order catering. Utilizes bootstrap for design and redux toolkit for state management.
